

Request for Qualifications

Seeking Engineering/Architectural Consultant Services
for the Whirlpool Canada Plaza Exterior Building
Envelope Rehabilitation and Building Demolition

For the Niagara Falls Bridge Commission

Overview

The Niagara Falls Bridge Commission seeks qualified Engineering/Architectural Consultant Services for exterior building envelope (stair, roof, masonry, and window), interior building finish and foundation wall rehabilitation and Building Demolition at the Whirlpool Rapids Bridge Canada Plaza Buildings.

All Consultants must be pre-qualified to submit tenders directly to the Commission; if your firm is not currently pre-qualified to complete work for the Commission and you wish to submit a tender for this project you must submit a completed prequalification form no later than May 5th, 2023; visit NiagaraFallsBridges.com, look under Services/Construction/Consultant Prequalification; follow instructions to submit a prequalification form. Once approved firms generally remain qualified to perform work for the Commission for a period of 3 years from the date of approval.

Firms pre-qualified to perform work for the Commission will receive a notification when the Request for Proposal for the project is issued.

Please contact Mr. Robert R Koert, Construction Manager for the Niagara Falls Bridge Commission (905-353-6640 x4130 or rkoert@niagarafallsbridges.com) for further information.
