

# Request for Qualifications

Seeking Engineering Consultant Services for Both US and Canada for the Lewiston Queenston Bridge Skewback, Anchorage and Bolt Rehabilitation and Rainbow Bridge Approach Span Bearing Painting For the Niagara Falls Bridge Commission

## Overview

The Niagara Falls Bridge Commission seeks qualified Engineering Consultant Services for Skewback Anchor Bolt & Steel Rehabilitation and Painting at the Lewiston-Queenston Bridge and Approach Span Bearing and Joint Painting at the Rainbow Bridge. The Consultant will be working in both the US & Canada.

All Consultants must be pre-qualified to submit tenders directly to the Commission; if your firm is not currently pre-qualified to complete work for the Commission and you wish to submit a tender for this project you must submit a completed prequalification form no later than May 6<sup>th</sup>, 2023; visit [NiagaraFallsBridges.com](http://NiagaraFallsBridges.com), look under Services/Construction/Consultant Prequalification; follow instructions to submit a prequalification form. Once approved firms generally remain qualified to perform work for the Commission for a period of 3 years from the date of approval.

Firms pre-qualified to perform work for the Commission will receive a notification when the Request for Proposal for the project is issued.

Please contact Mr. Robert R Koert, Construction Manager for the Niagara Falls Bridge Commission (716-285-6322 x4130 or [rkoert@niagarafallsbridges.com](mailto:rkoert@niagarafallsbridges.com)) for further information.
