

Request for Qualifications

Seeking Engineering Consultant Services
for the Queenston Plaza

For the Niagara Falls Bridge Commission

Overview

The Niagara Falls Bridge Commission seeks qualified Engineering Consultant Services for the Queenston Plaza in Canada to replace the Auto and Truck Inspection Lane LED Variable Message Signs.

All Consultants must be pre-qualified to submit proposals directly to the Commission; if your firm is not currently pre-qualified to complete work for the Commission and you wish to submit a proposal for this project you must submit a completed prequalification form no later than June 23, 2025; visit NiagaraFallsBridges.com, look under Services/Construction/Consultant Prequalification; follow instructions to submit a prequalification form. Once approved firms generally remain qualified to perform work for the Commission for a period of 3 years from the date of approval.

Firms pre-qualified to perform work for the Commission will receive a notification when the Request for Proposal for the project is issued.

Please contact Mr. John Mahar, Chief Construction Officer for the Niagara Falls Bridge Commission at 716-285-6322 x4133 or jmhar@niagarafallsbridges.com for further information.
